

Dear Parishes of the Anglican Alliance of North Florida,

It is my pleasure to announce a new and exciting opportunity for the youth ministries of our churches. After much planning and organization, the AANF is prepared to announce a new renewal weekend for high school youth, in the mold of Happening and Fourth Day, which will give teenagers the opportunity to encounter Jesus Christ while gaining strength in the Word. The retreat is a weekend led by students, for students, to share the love and generosity of Jesus Christ and also equip the students with tools they need to carry their faith into their communities. This new retreat,

Dynamos, takes its name from Acts 1:8, where the energy and power of the Spirit is given to Jesus' disciples to transform their world. In the same way, we hope to equip students to be witnesses for Christ in their own churches and schools. The planning process for Dynamos #1, to be held April 13-15 at Camp Kaluqua, High Springs, Florida, is well under way. The Steering Committee, consisting of AANF youth, adult, and clergy members, has been working for several months to prepare for this weekend. We are anxious to begin receiving applications for those high school youth who wish to be a part of leading the weekend as well as applications for high school aged candidates. It has been an exciting time of witnessing God's will in action. We strongly encourage anyone interested in participating in or supporting the AANF Dynamos movement to visit our website at www.saintpeters.net/dynamos. Team and candidate applications and more information can be found there. As always please continue to keep AANF youth ministries in your prayers as we continue to seek God's will.
